At 8pm Cllr Bryan expressed his extreme dissatisfaction with the decision of the Committee and left the meeting stating that his resignation would follow.

Following further discussion, it was **RESOLVED** that a letter would be sent to the Rt Hon Anne Milton MP requesting an immediate change in planning law to ensure that planning law is applied equally to all members of the community.

Planning application no: [18/P/02297](#) - 23 Gravetts Lane, Guildford, GU3 3JR - Two storey side extension following demolition of garage.

RESOLVED: That the Parish Council comment as follows:

- The applicant should be required to submit an application to Surrey County Council to install an extended dropped kerb entrance prior to commencement of the works.
- Appropriate boundary treatments will be required.

Planning application no: [18/P/02249](#) - Bullens Hill Farm, Stringers Common, Jacobs Well, Guildford, GU4 7PR -

Change of use of land to car storage for up to 160 cars for a period of 3 yrs together with erection of 1.4 metre high timber boundary fencing.

RESOLVED: That the Parish Council object as follows:

- The proposed use does not comply with Green Belt policy as per chapter nine of the NPPF.

- No very special circumstances have been put forward to justify the use of this Green Belt site for the storage of cars, nor does the storage of cars represent an exception to Green Belt policy.
- The storage of cars has the potential to cause contamination of the land (oil leaks) as well as into nearby watercourses.
- Shade produced by parked cars will cause reduction in ground dwelling plant species biodiversity.
- The proposal will have a detrimental impact on the openness of the Green Belt, particularly with the erection of a 1.4m (the style of which has not been defined) and could therefore interfere with wildlife corridors.
- This proposal would require a change of use from Green Belt agricultural land to Sui Generis use.
- The access to this site is over Stringer’s Common SNCI (Site of Nature Conservation Importance). Has the applicant applied for a Deed of Easement from Surrey County Council?
- There is a lack of technical information in respect of vehicle delivery. No information has been provided about swept path analysis or sightlines.
- The Parish Council is extremely concerned about the impact on highway safety at this location. Stringer’s Common fronts this site and is heavily wooded and the north bound sightline is on a bend with poor visibility.

Meeting closed 8.35pm
