

## Appendix 1

Borough Councillor – Bob McShee – Report for the Parish Council meeting 21 February 2019

I attended both GBC's Executive Advisory Boards this month when the following items were discussed:

1. The options for the future of the Spectrum Sport and entertainment venue.
2. The Guildford Museum development project.
3. The future use of the 2 Executive Advisory Boards, which may be determined after May 2019.

I also attended the Guildford Joint Committee informal meeting, which discussed Schools and School Travel plans.
