

Cost of Christmas Trees and Illuminations at Perry Hill Green, St Mary's Church and Wood Street Village Green over the past five years - Costs shared amongst 9,000 residents

Approximately 18,000 vehicles use the A322 on a daily basis - 756,000 vehicles drive past these lights annually during the 6 week period they are now illuminated

Prior to the GRP Kiosk being installed to facilitate the lights and any public events held on Perry Hill Green, the Parish Council gave a donation of £250 per year to the owner of Perry Hill Antiques to cover the cost of illuminating the lights which were only on for up to two weeks a year. The lights are now on for 6 weeks a year, 24 hours a day.
