Grant Aid to Local Organisations

1. Aims and Objectives

- 1.1 Worplesdon Parish Council budgets a sum of money every year for grants to organisations and activities that contribute constructively to, and enhance, the life and community of the Parish to benefit the people of Worplesdon. These grants are limited and are made available to organisations that address a demonstrable need for assistance.
- 1.2 The Council acknowledges some organisations, particularly new or smaller ones, may experience difficulty in completing the application process. All possible assistance will be given to such organisations.
- 1.3 Worplesdon Parish Council will also:
 - Publicise Grant Aid availability widely throughout the Parish.
 - Review the Grant Aid budget on a regular basis and at least annually.
 - Review on an annual basis the Policy and application process for awarding Grant Aid.

2. Application process

- 2.1 Each application will be treated on its own merit. To ensure fair and proper consideration is given to all requests, the Council requires the following to be submitted:
 - A completed application form describing, in detail, what the Grant Aid will support and identifying how this will benefit the residents of Worplesdon.
 - The most recent income and expenditure account, or in the case of a new venture/initiative a fully costed current plan with financial information.
 - Constitution or rules of the organisation.
 - A chart showing the roles individuals take in the organisation as positions of responsibility.
 - Details of any additional funding secured or applied for, as well as any fundraising carried out.
 - Any additional information the organisation considers will support their application.

3. Applications will only be considered if they comply with these conditions:

3.1 Organisation and Locality

- 3.1.1 Applications will only be accepted from charitable, voluntary and non-profit making organisations. Applications from commercial organisations will not be considered. National appeals are, with limited exceptions, outside the scope of the Council's Grant Aid scheme.
- 3.1.2 Organisations should be located within Worplesdon Parish, or if outside the boundary, their work should be of benefit to the Parish and its residents.
- 3.1.3 At present, the Council is prevented by statute from giving financial assistance to charities operating overseas or to a fund established to help persons outside the UK.

3.2. Type of Financial Assistance

- 3.2.1 The Council may award a grant towards specific projects or purchases of equipment and will only consider revenue costs if it can be demonstrated, by evidence, that funding from the Council will have a positive effect on the Parish and/or its residents.
- 3.2.2 The Council will not contribute towards wages or salaries.

3.3 Deadline for Applications

- 3.3.1 The deadline for the receipt of applications is FOUR weeks before a Planning/Finance and General Purposes Committee meeting, or Council meeting. (Dates of such meetings are publicised widely online and on the Council's noticeboards and available from the Parish Council offices: telephone 01483 300094, email clerk@worplesdon-pc.gov.uk and also the Council's website at www.worplesdon-pc.gov.uk.)
- 3.3.2 During the period between the Grant Aid application being submitted and the meeting at which it will be discussed, additional information or clarification may be requested by the Councillors.
- 3.3.3 Applicants will be advised whether their application has been successful after the Committee meeting during which the application was considered.

4. General Conditions

- 4.1 Grants should be spent for the purpose and on the project/activity for which they were given, and the Council will expect due recognition and advertisement of any Grant Aid awarded, including the use of the Parish Council's logo.
- 4.2 Grants will not normally be made for money already spent.
- 4.3 Organisations receiving Grant Aid are required to provide the Council with a written report within four months of the award date. The report should detail how the funds were spent and how residents of Worplesdon are benefitting from the Grant Aid. The report and photographs may also be included in the Council's newsletter or however the Council wishes to use it.
- 4.4 Organisations receiving Grant Aid may be invited to give a presentation to the Committee or Council.
- 4.5 Organisations are not restricted to the number of grant applications they may submit to the Council during any year. However, the history of previous applications may be considered in the decision-making process.
- 4.6 The award of Grant Aid in one year or period does not set a precedent for any subsequent applications.
- 4.7 If contractors are used for any work, the Council may require organisations to provide written estimates.

5. Payment of the Grant

- 5.1 Ordinarily, the grant will be paid at the start of the financial year (unless an in-year grant application is being made). If contractors are being used, the Grant will be paid upon receipt of a copy of the original paid invoice.
