## What we are doing

We are carrying out resurfacing works on Aldershot Road, Guildford.

Works area: 

Aldershot Road, Guildford will be closed from Liddington New Road to Rydes Hill Road including the Roundabout and its approaches whilst we carry out our resurfacing works.

Please see area in blue on the map.

We will make sure you can get to and from your house or business when it is safe to do so. However there may be a delay to access once work is in progress. Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

### **Please park elsewhere while the works are in progress.**

It is essential to keep the road free from parked vehicles to enable the works to proceed. Please park somewhere else otherwise your vehicle may be towed away to a nearby road.

**This work is weather dependant** and sometimes our work is delayed by bad weather.

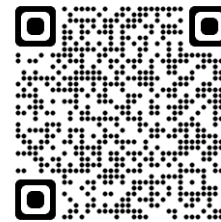

### **Night works/Noise**

Working overnight is necessary on traffic sensitive roads to reduce disruption during peak times. It also enables longer uninterrupted working before the closure has to be lifted for daytime traffic, and results in a shorter period of disruption. There will be some noise, but we will try to carry out the bulk of the noisiest works before midnight.
