

Who will carry out the works?

The council's contractor Yunex will be carrying out these works on our behalf.

This work is part of Surrey County Council's refurbishment programme.

Please keep this information leaflet in a safe place so you can refer to it.

Contact us

 www.surreycc.gov.uk/highways - for general enquiries

 0300 200 1003 – emergency calls only

Customer feedback

Your feedback on how these works are carried out will help us to continue to improve. Please quote **TS-J735** on any feedback you give.

You can do this by completing our online form at www.surreycc.gov.uk/roadworks.

Bogus callers

We do not do private work. If anyone offers to do private work please contact Surrey Trading Standards on 0845 404 05 06 or visit www.surrey.gov.uk/stopcoldcallers

Buses

If you use the bus, check with your bus operator to find out if there are any alterations to the service during these roadworks. You'll find all Surrey's operators and their websites listed here:

www.surreycc.gov.uk/busoperators

IMPROVING OUR ROADS

Advance warning

Essential traffic light improvement works:
Salt Box Road / Grange Road
Tuesday 28 November 2023
For 1 week
Delays possible

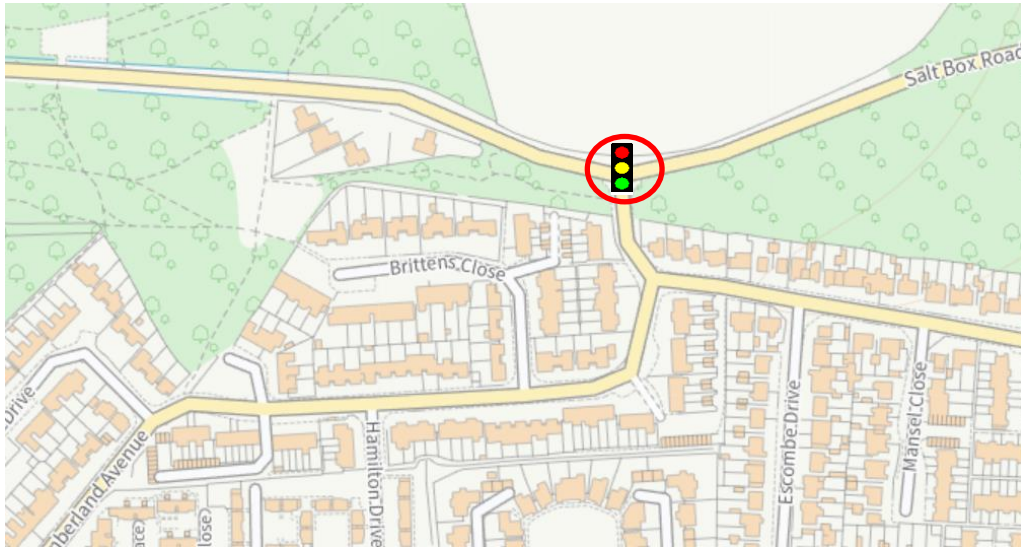

Details:

From Tuesday 28 November For 1 week Temporary traffic lights Delays possible

Please look out for advance warning signs on site for any date changes or check [one.network](https://www.one.network); or @HighwaysSurrey on Twitter, Surrey Highways on Facebook and @surrey_highways on Instagram

What are we going to do?

We will be upgrading the traffic lights at the junction of Salt Box Road and Grange Road.

Location of works: 

Information for residents and businesses

We will be replacing all the traffic light equipment as it has become obsolete and is in a poor condition.

Temporary lights will operate for 24 hours a day. The location of the work is highlighted on the map on this leaflet.

Traffic delays

Temporary traffic lights at this junction may cause traffic delays. This is because temporary lights, unlike permanent traffic lights, are not intelligent and can only let traffic flow in one direction at a time. If possible, please avoid this junction, however if you do need to travel this way, please leave additional time.

Delays in work

Our work is sometimes delayed by bad weather or failure of our existing pipework. We will keep you updated on any changes via the advance warning signs and on [one.network](https://www.one.network)

Updates

If you would like to sign up for updates on these works, you can do so using the roadworks map at [one.network](https://www.one.network) and searching for your road.

Noise

There will be some noise, but we will try to keep this to a minimum.

We thank you in advance for your cooperation and patience while we carry out these roadworks.
