

Bogus callers

We do not do private work. If anyone offers to do private work please contact Surrey Trading Standards on 0808 223 1133 or visit www.surrey.gov.uk/stopcoldcallers

The council's contractor Ringway will be carrying out these works on our behalf.

Contact us

-  www.surreycc.gov.uk/highways
-  0300 200 1003 (Monday to Friday 9am to 5pm)
-  Contact Centre, Dakota, 11 De Havilland Drive, Weybridge Surrey, KT13 0YP

Delays in work

Our work is sometimes delayed by bad weather. We will keep you updated on any changes via the advance warning signs and on [one.network](#)

Buses

If you use the bus, check with your bus operator to find out if there are any alterations to the service during these roadworks. You'll find all Surrey's operators and their websites listed here: www.surreycc.gov.uk/busoperators

If one of our signs has been left behind, please help us by reporting it online at www.RemoveThisSign.com.

We thank you in advance for your cooperation and patience while we carry out these road works.

 SURREY

8am to 1pm Saturdays

Delays likely

Please look out for advance warning signs on site for any date changes or check [one.network](#); @HighwaysSurrey on Twitter; @Surrey Highways on Facebook and @surrey_highways on Instagram

What we are doing

We are carrying out pavement reconstruction works on Stringers Avenue, from Oak Tree Road to Queenhythe Road.

Extent of works: 

Give and take traffic management will be in place on Stringers Avenue whilst we carry out our pavement reconstruction works.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

It is illegal to drive over the pavement to access your property unless there is a vehicle crossover. If you want access to park on your property, you will need to apply for a crossover. Vehicle crossovers can only be approved and constructed by application to the council; **they will not be included as part of this scheme.** If your property has been previously accessible by an unofficial vehicle crossover, due to an uneven or sunken kerb for example, this *may* be removed or altered as part of these works, as we may need to adjust or raise the existing kerb levels. We will not be raising existing vehicle crossings. For more information or to apply for a crossover - surreycc.gov.uk/roads-and-transport/permits-and-licences/vehicle-crossovers-or-dropped-kerbs.

Please cut back any overgrown vegetation, tree branches, hedges or shrubs from your garden that are hanging or growing over the pavement to expose the full width of the pavement surface before our works start.

Please do not park in the area where the team are working. These works will be carried out in stages along the road. We will try to give residents prior warning to move vehicles by marking the works area with cones and barriers and by placing no parking flyers on vehicles.

Noise

There will be some noise, but we will try to keep this to a minimum.
