

BASINGSTOKE CANAL CENTRE COMMUNITY SURVEY

Calling all visitors and local residents:

We want to know what you think about the Basingstoke Canal Centre at Mytchett and your ideas for future improvement.

Surrey County Council recognises the Canal Centre as a much-loved community asset, and are eager that the site offers a vibrant, accessible and sustainable space to be enjoyed by residents and visitors alike.

To help us better understand how people use the centre and what they value, we are asking the local community and users to take part in a short survey that could influence the way the centre operates in the future.

Share your views by scanning the **QR code** or by visiting: **canalcentre.commonplace.is**

Alternatively pick up a paper copy from the Canal Centre during opening hours. Even if you don't use the centre, we would love to hear from you as to why and what might encourage you to visit in the future.

Survey closes 27 September.
