2024-285 - [Pass Wide and Slow campaign](#) - Worplesdon - 15 September 2024

Nicola King addressed the Parish Council. Nicola advised that she is arranging a Pass Wide and Slow campaign for Sunday 15 September 2024 commencing at 11am to raise awareness of the dangers that inconsiderate motorists pose not only to the horses and riders but also to themselves and the need to pass horses (either being ridden or carriage driven) slowly and to give at least 2m space. Horses are prey animals and can easily spook, which can result in catastrophic consequences.

The event is to commence in Holly Lane at 11am on Sunday 15 September 2024. It is aimed to be a fun family day. Anyone is welcome to participate and are welcome to bring well behaved dogs on leads. The six-mile route will go from Holly Lane along the Aldershot Road out to Frog Grove Lane, with a break being taken at the White Hart Pub and back again.

Nicola asked whether the Parish Council would be willing to support this event by sponsoring a couple of banners (without dates) that can be used on numerous occasions and also asked whether any volunteers would be available to assist on the day.

At present equestrians are not protected by law in the same way that cyclists are. Equestrians are now using camera footage to send to Surrey Police to alert the police to irresponsible behaviour by motorists.

Nicola was advised to contact Zöe Franklin MP with regards to requesting a change in the law to ensure that equestrians are treated with the same degree of protection as cyclists are.

Following discussion, it was proposed by Cllr G Adam, seconded by Cllr D Bird and unanimously **RESOLVED** that a grant of £100 be awarded to cover the purchase of two to three banners. A copy of the invoice to be provided to the Parish Council prior to the grant being awarded.

Power to spend: General Power of Competence 2011

It was also agreed that the Parish Council would pass this information onto Normandy Parish Council and Pirbright Parish Council requesting they also raise awareness of this event and that it would be added to the Parish Council's website and Facebook page.

a) Wildflower meadow - Harry's Meadow

Surrey Wildlife Trust has advised that it would be willing to provide grant funding towards the provision of an expanded wildflower area in Harry's Meadow but would not support the current decision to plough and harrow part of the site. Surrey Wildlife Trust would support leaving the existing trial areas in situ, and lightly harrowing curved areas within the existing meadow to be sown with Yellow Rattle.

The Parish Council's application for funding towards this project from Your Fund Surrey has been declined.

Following discussion, it was proposed by Cllr J Snowball, seconded by Cllr M Price and unanimously **RESOLVED** that the Parish Council would accept and adopt Surrey Wildlife Trust's proposed

recommendations for this project, subject to a grant being provided by the Wildlife Trust and that the work can be carried out in September 2024, as planned.

The sowing of the seed to potentially become a community exercise, subject to sufficient support being forthcoming from the local community.

Power to spend: OSA 1906, ss 9 and 10

b) Hedgehog Awareness

Unfortunately, a number of hedgehogs have been killed in road traffic accidents across the Parish over recent months (particularly in Fairlands).

The Clerk had contacted Surrey County Council for permission to install two highway warning signs (which can be purchased for £18 & VAT each) onto low recycled plastic posts, to be supplied by the Parish Council. Surrey County Council had advised that only highway approved posts can be used, checks have to be carried out to ensure no utility services would be affected. The cost to install two highway approved posts and two hedgehog warning signs (which have to comply with the Traffic Signs Manual 2018) would cost approximately £1,000.

It was therefore suggested that temporary laminated signs be erected at appropriate locations within Fairlands and that the Parish Council purchase three x school kits from the Amazing Grace Hedgehog Project to gift to the three primary schools within the Parish in the hopes of raising awareness amongst the local community.

Following discussion, it was proposed by Cllr G Adam, seconded by Cllr D Bird and unanimously **RESOLVED** that up to a maximum of £200 be spent on providing laminated signs and three x school kits.

Power to spend: General Power of Competence 2011

Cllr M Price advised that Elizabeth Lee – Hedgehogs of Burpham and Merrow may be able to assist with raising awareness of hedgehogs and may also be willing to attend the Annual Parish Assembly next year. It was agreed that Cllr M Price would make direct contact with Elizabeth Lee.

At 20:15 both members of the public left the meeting.
