2026-226 - Planning Applications for consideration:

Planning Application No: [26/P/00717](#) - 22 Fairlands Road, Fairlands, Guildford, GU3 3JB - Proposed front porch, rear extension to replace the existing conservatory and facilitate the addition of a rear dormer window; extension to the existing dropped kerb.

It was **RESOLVED**: that the Parish Council object to this planning application on the following grounds:

1. By reason of its size, scale, bulk and mass, the two-storey extension represents a significant enlargement of the original dwelling.
2. The alteration from a hipped roof to a gable roof would have an incongruous impact on the adjoining semi-detached bungalow.
3. The introduction of an extensive flat roof is considered to be an unsympathetic design feature that would be visually prominent, out of keeping with the character of the existing dwelling and the existing street scene.
4. Taken as a whole, the extension would, by reason of its overall size, scale, bulk, mass and design, be out of keeping with the existing street scene, contrary to Policy D4 of the Guildford Borough Local Plan (2015–2034).

Planning Application No: [26/P/00679](#) - Worplesdon Chase, Worplesdon Road, Guildford, GU3 3LA - Erection of detached triple bay garage following demolition of existing garage.

It was **RESOLVED** that the Parish Council comment that the garage/store shall remain ancillary to the main dwelling at all times and shall not be occupied, used or disposed of as a separate unit of accommodation or for any independent residential use.

Planning Application No: [26/P/00648](#) - Stedwood House, Church Lane, Worplesdon, Guildford, GU3 3RU - Retrospective application for the replacement of an existing flat roof with a pitched roof structure.

It was **RESOLVED**: leave to planners.

Planning Application No: [26/P/00686](#) - 17 Keens Lane, Guildford, GU3 3JS - Erection of a part single, part two storey rear extension.

It was **RESOLVED** that the Parish Council notes a number of inconsistencies within the submitted plans. The ground floor and first floor extension at No. 19 Keens Lane is shown on some drawings but omitted from others.

In addition, there is no reference to any party wall agreement.

The Parish Council considers that clarification is required before the application can be properly determined.

Planning Application No: [26/T/00146](#) - Maryland, Perry Hill, Worplesdon, Guildford, GU3 3RB - (TG1) Beech - Selective crown reduction of 2 to 3 metres, pruning to suitable growth points to leave radial crown diameter of approximately 9-10 metres. Drop crotch pruning will target the tree stems reducing those selectively by up to 2 metres. TPO- 15 of 2009.

It was **RESOLVED**: leave to Guildford Borough Council's tree officer.

Planning Application No: [26/T/00140](#) - 3 Worplesdon St Mary, Perry Hill, Worplesdon, Guildford, GU3 3RE - Beech Tree - fell tree to ground level (Worplesdon Conservation Area).

Planning Application No: [26/T/00142](#) - The Tudors, Perry Hill, Worplesdon, Guildford, GU3 3RE - Salix Caprea (Goat Willow): Fell. Tree has been inspected by a tree surgeon, and is found to be rotting at the base of the trunk. Multiple large branches have already died, with only a few branches still in leaf but also slowly dying. Tree will be replaced with another large specimen to fill in the space. 2026-230 - North Moors Allotments

A comprehensive briefing report was circulated, following an Officers' visit to the site.

The key points were:

- The allotments are within the Parish
- The Parish has the power to take on and administer allotments, and a duty to supply providing there is demand from the Parish residents
- There is no budget in this year's precept for allotments
- The allotments currently make a loss of £1,000 per year (unverified)
- Charges for utilities need to be confirmed
- Lease options to be confirmed – freehold vs leasehold, and allotment area only versus the wider plot including paths and trees
- Basic plot maintenance required for vacant plots
- Review of pricing schedule for allotment holders required

The Officers' recommendations were read to the Council.

Appendix 1: Report on North Moors Allotments

The Councillors were supportive of Officers undertaking further investigation relating to a potential transfer.

A further site visit is to be arranged for the Members.

This item is to be reconsidered at the next Full Council meeting.

2026-231 - The Surrey (Electoral Changes) Order 2024 Announcement of the Electoral Boundary Commission Ward changes (2027) – OS mapping error

In August 2023, the Electoral Commission carried out a boundary review at County Council level to ensure that each of the 81 County Councillors represent a similar number of electors.

A 2022 review of the electoral boundaries for Guildford Borough Council saw no changes to the borough boundaries for Worplesdon, but did see the wards of Pirbright and Normandy combined to be represented by two borough councillors.

The draft County recommendations were published in August 2023.

Those recommendations proposed that the Parish of Worplesdon (at County level only) be split into three.

1. Jacobs Well to be included in the Guildford North division.
2. Part of Wanborough and South Ash to be brought into the Worplesdon Ward (which at County level includes Pirbright, Normandy and Worplesdon)
3. Broadacres (including Ferndale, Cater Gardens and Oakfields), Broad Street, Dorrit Crescent, Bracken Way, Broomfield Close, Bramble Close and Barnwood being moved into Guildford West.

Following a number of objections, the Electoral Commission concluded that Jacobs Well would remain within the County Ward of Worplesdon.

There was also a proposal to change the Parish Wards. The number of councillors to remain at 16, as at present, representing three wards:

1. Jacobs Well – represented by two parish councillors
2. 'Rydes Hill' (named due to an OS mapping error) – actually the areas of (Broadacres, Park Barn, and Broad Street) - 3 parish councillors
3. Villages – 11 parish councillors

On 16 June 2026, the [The Surrey \(Electoral Changes\) Order 2024](#) provides that from the May 2027 elections, Worplesdon Parish Council shall have two wards, as follows:

133 We are providing revised parish electoral arrangements for Worplesdon parish.

Final recommendations	
Worplesdon Parish Council should comprise 16 councillors, as at present, representing two wards:	
Parish ward	Number of parish councillors
Rydeshill	3
Villages	13

The geographic area of Rydes Hill is outside of the Parish boundary. The Parish Council considered that retaining the proposed ward name of Rydeshill would cause confusion amongst the electorate.

Map 1: Used by the LGBCE to name the ward now sitting within the Guildford West Unitary Ward

Map 2: Updated Ordnance Survey Map, which shows Rydes Hill in the correct location

The Councillors considered the proposal for a Community Governance Review (CGR) to be submitted to Guildford Borough Council to facilitate a change to the proposed ward name of “Rydeshill” to “Broad Street”.

It was proposed by Cllr N Mitchell, seconded by Cllr S Busby, and unanimously **RESOLVED** that a CGR be requested as detailed.

2026-232 - Pinks Hill Pond Future Project

The Clerk outlined the proposed restoration project for Pinks Hill Pond on Broad Street Common, and the available Surrey County Council Nature Recovery grant, for which applications need to be completed by 19 July 2026.

The grant programme offers grants of up to £5,000, and up to £10,000 by exception for 1-2 special projects. The Clerk proposed that to increase the likelihood of a successful grant application, the Parish Council offer £8,000 matched funding to maximise the impact of the proposed project.

It was proposed by Cllr N Crampin, seconded by Cllr T Wright, and unanimously **RESOLVED** that the project be supported and matched funding of £8,000 be provided by the Parish Council.

Power to spend: PHA 1936, s260

2026-233 - Badges of Office

The Councillors considered the proposal that a Vice Chairman's Badge of Office could be purchased within the existing allocated budget for the Chairman's Badge of Office (minute **2025-427 (f)** refers). The budget for replacing the Chairman's Badge of Office was set at £3,000. The estimate for the replacement Chairman's Badge of Office from Michaels was £1,350. An additional discounted Vice Chairman's Badge of Office was quoted as £1,125. The resulting total cost was £2,475.

A lengthy debate ensued, following which a vote took place.

Following the debate, it was proposed by Cllr N Mitchell, seconded by Cllr S Busby and **RESOLVED** that both Chairman's and Vice Chairman's Badges of Office be purchased.

- A vote took place for the Chairman's Badge of Office: 8 supported the proposal. Cllr N Crampin voted against the proposal. Motion carried.
- A vote then took place for the Vice Chairman's Badge of Office: 4 supported the proposal. Cllr B Ahier, Cllr G Burch, Cllr N Crampin, and Cllr T Wright voted against the proposal. Cllr M Price abstained. Due to the tied vote, the Chairman used his casting vote. The Chairman voted in favour. Motion carried.

2026-234 - Wood Street Village Summer Show

It was requested that the Council consider granting approval in principle to the Wood Street Village Association for the Wood Street Village Show to take place on Wood Street Village Green for the next five years, to facilitate event planning.

[At 21:13 Councillor J Steel left the meeting.](#)

It was proposed by Cllr N Mitchell, seconded by Cllr S Busby, and unanimously **RESOLVED** that the Wood Street Village Association (WSVA) be granted approval in principle for three years from 2027, subject to annual submission of event application forms and completion of appropriate risk assessments.

2026-235 - One-Day Event at Merrist Wood College

An entertainment licence request was received for the Loud Out 2026 event on 29 August 2026 13:00 – 22:30, managed by Debbre Arts and Events showcasing Nepali artists, taking place at Merrist Wood College.

The Councillors confirmed their support, with comment of disappointment that this event was limited to over 18s.

2026-236 - Cloudy IT Training

The Councillors have requested that a face-to-face training session be arranged with Cloudy IT. The proposed dates were 16 or 30 July.

Power to spend: Local Government Act 1972, s. 111

2026-237 - Renewal of Lease, Unit 2 Saxton, Parklands, Railton Road, Guildford, Surrey, GU2 9JX

It is being proposed that an early lease renewal be pursued for the current Parish offices, given the delay of Hester's Yard, to best align with the expected timelines. The renewal would apply from December 2026 and be for five years, with a break clause at four years, which will hopefully align with the new premises becoming available.

It was proposed by Cllr N Mitchell, seconded by Cllr T Wright, and unanimously **RESOLVED** that the lease renewal be pursued as detailed.

2026-238 - The future of Guildford's Shopmobility

An update was received on Guildford's Shopmobility, stating that Age Concern UK has discontinued its involvement leading to suspension of this service.

Guildford Borough Council do still offer the grant so this service could continue if another charity was willing to take this over, but none have stepped forward.

[At 21:29 meeting adjourned.](#)

The standing orders were waived to enable Councillor Julia McShane to address the Council.

Councillor Julia McShane informed the Council that she had met with Ruth House and Shirlee Posner, who were leading on a petition seeking to prevent the closure of Guildford Shopmobility.

Members noted that Guildford Borough Council has confirmed its willingness to support any community group wishing to continue the service. Support available includes access to grant funding and the continued use of the Bedford Road premises at a peppercorn rent. It was further reported that, at present, no alternative community groups have come forward to operate the service. Woking Shopmobility had also been approached but had declined the opportunity.

[At 21:34 meeting reconvened.](#)

[At 21:34 Councillor J McShane left the meeting.](#)

2026-239 - Finance:**a) Proposed list of payments to be tabled at the meeting for approval**

The payment list was presented to the meeting. It was proposed by Cllr T Wright, seconded by Cllr S Busby, and unanimously **RESOLVED** that payments to the value of £62,029.43 be approved. The payment list was duly signed by the Chairman, Cllr N Mitchell, during the meeting.
